Special conditions relating to claims

1. Before your rabbit is treated please check that your vet is willing to complete the claim form and supply us with the supporting invoices. We will not pay for the vet to do this.

2. The claim form and invoices must be returned to us within 60 days of the rabbit receiving the treatment or as soon as possible thereafter. Please make sure that the form is signed by both you and your vet and that it is indicated to whom we should make the payment.

3. If you have asked us to pay your vet we will send payment directly to the practice and if there is any amount other than the excess that we cannot pay because the costs are not covered we will tell you in writing. You must settle with your vet any amount not covered by the policy.

4. If your claim involves complementary treatment the claim form and invoices must be countersigned by your vet.

5. If you are submitting a claim for an ongoing condition your vet must still complete a claim form and supply us with the supporting invoices on each occasion that treatment is provided.

6. If your rabbit is referred to a specialist please make sure your own vet, that normally treats your rabbit, has completed a separate claim form for the initial costs. We will not be able to assess the claim form and supporting invoices from the referral practice until we have processed the initial treatment from your own vet.

Complaints procedure

Making yourself heard
We are committed to providing you with an exceptional level of service and customer care. We realise that things can go wrong and there may be occasions when you feel that we have not provided the service you expected. When this happens, we want to hear about it so that we can try to put things right.

Who to contact
The most important factors in getting your complaint dealt with as quickly and efficiently as possible are:

a) to be sure you are talking to the right person; and,

b) that you are giving them the right information

When you contact us:
Please give us your name and contact telephone number.

Please quote your policy and/or claim number, and the type of policy you hold.

Please explain clearly and concisely the reason for your complaint. So we begin by establishing your first point of contact:

Step One - initiating your complaint:
Does your complaint relate to:

A: your policy?

B: a claim on your policy?

If A, you need to contact our customer service team on 0800 011 1910 and state your complaint.

If B, you need to contact whoever is currently dealing with your claim by calling our claims team on 0800 298 7140 and state your complaint.

In either case, if you wish to provide written details, the following checklist has been prepared for you to use when drafting your letter.

- Head your letter ‘PETS AT HOME COMPLAINT’
- Give your full name, post code and contact telephone number(s)
- Advise us that you have a Pets at Home Pet Insurance policy and quote your policy and/or claim number.
- Explain clearly and concisely the reason(s) for your complaint.

The letter should be sent to the person dealing with your complaint along with any other material required to the following address:

Pets at Home Pet Insurance
The Complaints Manager
The Connect Centre
Kingston Crescent
Portsmouth
Hants PO2 8QL.

We expect that the majority of complaints will be quickly and satisfactorily resolved at this stage, but if you are not satisfied, you can take the issue further:
Step Two - The Financial Ombudsman Service
If we have given you our final response and you are still not satisfied you may refer your case to the Financial Ombudsman Service (FOS).

The Ombudsman is an independent body that arbitrates on complaints about general insurance products and other financial services. It will only consider complaints after we have provided you with written confirmation that our internal complaints procedure has been exhausted.

Insurance Division
Financial Ombudsman Service
Exchange Tower
Harbour Exchange Square
London

Tel: 0300 123 9123
Fax: 020 7964 1001

Please note that you have six months from the date of our final response in which to refer your complaint to the Ombudsman. Referral to the Ombudsman will not affect your right to take legal action.

Our promise to you:
We will acknowledge all complaints promptly.
We will investigate quickly and thoroughly.
We will keep you informed of progress.
We will do everything possible to resolve your complaint.
We will learn from our mistakes. We will use the information from complaints to continuously improve our service.
